# STALWART Authorized Certifications

## (ISC)<sup>2</sup>: The World's Leading Cybersecurity Professional Organization

The International Information System Security Certification Consortium, or (ISC)<sup>2</sup>, is a non-profit organization which specializes in training and certifications for cybersecurity professionals. It has been described as the "world's largest IT security organization".

(ISC)<sup>2</sup> has close to 1,70,000 members across US, Europe, China, Australia, India, Japan, etc and (ISC)<sup>2</sup> certifications like CISSP and CCSP are widely accepted as Gold standard in the Cyber Security Domain. These certifications are designed to evaluate a deep technical and managerial competence of the participants attempting these certifications.

**CISSP**<sup>®</sup>  
Certified Information  
Systems Security Professional  
An (ISC)<sup>2</sup> Certification
